

GRAINTHORPE GAZETTE

Keeping parents, friends and families informed

Friday 27th September, 2019 (Ref - T1 W4)

SATURDAY OPEN DAY 5th OCTOBER 2019 FROM 2-4pm - EVERYONE WELCOME

Please come and join us for a fun afternoon to celebrate 200 years of school! Not only will you be able to play games from the past and look at school photos and artefacts, but you will be entertained by a Punch and Judy show, and hopefully see dancers and musicians too - we are just awaiting confirmation.

There will be a prize for the best dressed up child (and adult) so why not come and join in? We look forward to seeing you all at Grainthorpe.

If you would like to help with the event, please let us know.

BRITISH FOOD FORTNIGHT - FARM KITCHEN IN SCHOOL

The Farm Kitchen (our meal provider) spent the morning at school yesterday, making a delicious chicken curry with the help from all the children.

We were lucky enough to be offered a free roast dinner for every child and member of staff and it was great to see so many children eating hot meals at school. The roast was cooked to perfection and the melt in the mouth apple and blackberry crumble "was divine," according to a year six child.

MACMILLAN COFFEE MORNING You have raised an amazing £110 with cake and coffee events at both schools. Thank you for your generosity for this invaluable charity. Not only did you provide a mountain of cake, but you bought it back too! Huge thanks.

HEALTHY EATING WITH OUR SCHOOL COUNCIL As part of our plans this year, we want to become a healthy school. We will be organising activities to support this at our meetings. One way we can kick-start being healthy is to reduce the amount of sugar in our lunch boxes. Please can you remember not to send sweets for lunch, and chocolate should be a biscuit bar. Thanks for your support with this.

PTA MEETING - ON MONDAY Please stop in at Marshchapel Infant School on Monday, straight after school. There are lots of exciting topics to discuss and everyone who has a child at either school (or works in the federation) is invited to come along. I do hope to see you there!

YEAR 6 PUPILS STARTING SECONDARY SCHOOL IN 2020 This year, information has gone straight to parents/guardians at home. If you would like to discuss your child's options with someone from school, please let the office know. The deadline to apply for secondary places is 31st October 2019. We are happy to help with applications.

Have a great weekend!
Mrs Turner, Exec. Headteacher
