Keeping parents, friends and families informed

Friday 11th October, 2019 (Ref - T1 W6)

SATURDAY OPEN DAY 5th OCTOBER 2019 THANKS FOR YOUR SUPPORT!

We had a fabulous turnout on Saturday from old boys and girls as well as previous members of staff. The stories were great to hear and added a lot of colour to the black and white accounts in the old headmaster log books (daily records of school events) and the punishment book. I met at least three past pupils who told me their account of the incidents in the naughty book!

The band played, Punch and Judy entertained and the Fenland Friends PTA served up delicious refreshments, including fresh-cream cakes and scones. Thank you to everyone who devoted a Saturday afternoon to this special event. It has kick-started our year of commemoration and will culminate in our time capsule being buried and our legacy quilt being displayed in our hall.

HARVEST FESTIVAL

The children placed their harvest offerings on the altar, knowing their small gifts would be used by the local Pop-Out group. The service began with rousing singing. The songs, including old favourites like "Cauliflowers Fluffy," were interspersed with the reasons why we are thankful for the harvest and a selection of poems. The pupils performed well and enjoyed the event. Thank you for sharing with us and for your generous donations for local people.

PARENTS' EVENING Thank you if you managed to make an appointment to see how your child is progressing at school. Everyone has settled in well and there is some fabulous learning taking place. Classes are working together well to share teacher expertise and our history project about the school has been a great starting point for shared work. If you were one of the few parents unable to come in on Thursday, it's not too late. I know the teachers will get to see you soon.
