NHS ARTS COMPETITION

The children have enjoyed designing the hospitals of the future and were excited to take part in the competition, especially when we had a film crew arrive from London! Last Monday was a great chance to talk about the plans and see how television filming works.

Thank you for signing the double consent forms - one for the NHS and one for the filming company. Our footage will be used early in 2020 and let's hope it coincides with winning the competition!

CHRISTMAS PERFORMANCE

Letters will be coming home on Monday for the whole school performance of "Bah, Humbug!" There will be two performances: Tuesday 10th December and Wednesday 11th December at 1:30pm. We hope you will be able to make one of those days for a festive show to get you in the mood for Christmas!

THE GOLDEN MILE

As part of our healthy lifestyles initiative, we are still planning to introduce the Daily Mile at school. We have had an assembly about the daily exercise plan but we are waiting for some dry weather to get started! Fingers crossed we will be able to do this soon.

CHILDREN IN NEED

The school was awash with spots, spots and more spots today. Your generous donations raised £46.03 for this charity. Thank you so much. Here are some spotty examples spotted today:
