Keeping parents, friends and families informed

Friday 10th May, 2019 (Ref - T5 W3)

TASTY TASTER SESSION! Yesterday, The Farm Kitchen shared some tasty offerings from the varied menu they will be offering after half term. Thank you for all those who attended the session and tried the meals. Comments ranged from “delicious” to “what a lovely choice!” and it was nice to see so many children tucking into the pots of food. You can create a new account at www.hotschoolmeals.com

YEAR SIX WEEK AHEAD Our Year 6 class has worked so hard this week with the final preparations for SATs, which start on Monday. The determination and perseverance shown this week (and in fact all year) proves what amazing young people they are. This weekend should be a relaxing one because the hard work has been done. Next week will be the chance to shine and bring together everything they know. It is just a moment in time and SATs measure the school more than the children. I know how hard all the staff have worked and will continue to work with the group.

Don't forget Year 6 breakfast club from 8:00am next week, Monday to Thursday. This is a chance to relax with friends before the assessments begin. Next Friday will be a super day too - with the class heading off to Cleethorpes for a well-deserved day of play! (Please return permission slips as soon as possible.)

PARENT GOVERNOR VACANCY We are still looking for someone to help shape the future of learning within the two schools. As a parent, you will bring a crucial dimension to the governing body. If you have a child at either school, you are eligible to be a governor. Ask in the school office for more information.

PARKING OUTSIDE SCHOOL It is difficult parking outside the school at the start and end of the school day. The zig zag lines make it clear where not to park. When the bus is outside the school, visibility can be very poor but some car users are determined to reverse onto Fen Lane. Please don't be the cause of an accident outside the school. The bus means at least twenty fewer cars outside school everyday so please be patient and take care.

GARDENING OPPORTUNITIES Over the next few weeks, the gardening club will be developing the flower beds around the school grounds. They will also be filling a new box planter which will be positioned at the school entrance under class three's window. This large planter will have a seating area too.

If you are green-fingered and would like to help us with our gardening ventures, please let us know.

Have a great weekend!

Executive Headteacher
