

### WELCOME BACK TO FABULOUS LEARNING!

It was great to see the children arriving back, after such a long time away - so many smiling faces! As schools, we are so pleased that it is once again full of children excited to learn. All the staff have worked tremendously hard to ensure the children will have a wealth of opportunities this term. Keeping safe, following the hygiene rules and getting back to great learning is our priority.

If you have any concerns or questions, please feel free to email the school and we will answer as soon as we can. If a query is more urgent, please phone the school. You can always talk to staff at the meet and greet stations.

### OUTDOOR LEARNING AT MARSHCHAPEL

The children will be learning outdoors as much as possible this term, so a coat is an essential item every day. If you can send in wellies too, that would be great. Don't forget to label with your child's name.

A change of clothes to hang on the early years' pegs ensures any accidents are dealt with quickly.

### READING AT GRAINTHORPE

The children responded so positively to Reading Karate that we've decided to do it all again this year! As we are reusing the bands from last year, we would appreciate if you could ask your child to bring them back to school for the start of the new year. Every returned band will be worth 5 house points.

## CLASS DOJO AND TAPESTRY

During lockdown, we used Class Dojo to support our home learning communication and it worked so well, we're continuing with it. Teachers will set homework on Class Dojo and we hope you can submit the work and get feedback once completed.

If we are unlucky enough to need another lockdown or isolation from school, Class Dojo will be the communication we will use for Year 1 to Year 6. Nursery and Reception will continue to use Tapestry. Hopefully, you are all signed up for either Class Dojo or Tapestry. If you need to sign up with a new email address or if you are new to our schools, please send in the slip below and we will get you started. Thanks

## SAFEGUARDING IN OUR COMMUNITY

If you have any safeguarding concerns to do with children in our community and you want to tell someone about them, the schools have a Designated Safeguarding Lead professional (Mrs Turner) and Deputy Designated Safeguarding Lead professionals (Mrs Manders and Mr Grundy-Holmes). Please call on 01472 869075(M) or 01472 869035 (G).

## INTERNET SAFETY

E-safety is an important part of keeping children safe.

There is a good website <http://www.childnet.com/> that gives key advice to parents and carers including an explanation of terms used, how to make a report on-line and where to go for more help. You can also ask us at school for advice.
